

reading plan

During this series, we will learn how Nehemiah responded to his calling and learn how we can change our own world by leaning into the unique calling that God has put in front of each of us. This series will look at the good work God called Nehemiah to do and show us how his story can be an example in our own lives. God has called us all to a good work in our world, in our neighborhood, or in our family. This series will challenge us to find our purpose, understand our opposition, and give us the tools and encouragement to live out our calling.

As we study the book of Nehemiah together, we encourage you to engage with this book during your personal daily God Time. The following plan will take you through Nehemiah in six weeks. Each week begins with a Psalm that you can continue to read and pray throughout the week in addition to the readings from Nehemiah.

As you read, keep the following study questions in mind – and listen for anything else the God may be pointing out to you:

- 1 What do we learn about God in this passage?
- 2 What do we learn about what it means to be a follower of Christ in this passage?
- 3 What do you think the Holy Spirit might be teaching you personally through this passage?
- 4 Is there anything God is leading you to do after reading this passage?
